Hello District IV Band Director,

My name is Gene Fiero, I am the owner of Single Sound Recording Service. For the tenth year, it is my pleasure to provide recordings of your group's performance at the MSBOA, District IV Band and Orchestra Festival. On the day of your performance we will provide each band with:

- Direct Stereo CD recording of performance (un edited and un mastered)
- Order forms, for purchase of edited, mastered CD's

The recording will be made using high quality components including, stereo microphones, high quality mic preamps, and CD recorders. Myself or one of my associates will be on site making the recording.

The CD you will receive immediately following your performance will be a direct recording of your groups time on stage. It will have ID codes for the songs in your performance. A second CD recorder will be running at the same time to act as a safety recording and to provide a source for an edited sweetened recording of the performance.

Enclosed with this letter are two order forms for purchase of Compact Disc recordings. We sell directly to the school's music department only. For schools with more than 1 performing group, or sister schools (high school and feeding middle school) you can add all your school groups performances (up to 4) on to 1 CD. The production of the CD is based on a minimum order quantity of 10 to 15 CD's per school. On the form "For directors use only" fill in your group or groups names and send with one check (please do not send students individual checks) to the address on the form. Orders should be placed by April 8, 2010 but will be accepted any time. Please allow 4 to 6 weeks for delivery. The second order form is for the Director to hand out to students. Fill in the school group name, the price for the CD with your # of groups, and who you wish the check to be made out to (fill in between the 3 arrows). Copy the form and cut into quarters. This quarter sheet does not go to Single Sound, it is for the students and directors order use only. Forms can be downloaded from my web site at www.singlesound.net . The CD offered in this sale is different from the performance CD. This CD will be an edited, sweetened, and mastered recording. It will be labeled and in a slimline jewel case.

My contact info is at the top of this page, please contact me with questions. Thanks again for the opportunity to work with you!
